# ABOUT TIM

Tim Davies is well recognised by Australian television audiences, after waking up with the TODAY team for the past five years.

A journalist with more than 20 years experience, Tim has worked across a variety of Australian radio and television networks.

From covering some of the most devastating and history-shaping national and international news events, such as Presidential visits, Royal tours and celebrations, bushfires, floods, drought and the Olympics - Tim currently brings smiles to homes across Australia with vibrant weather, travel and community segments each morning on breakfast TV.

Communities across the country and the world welcome him with open arms, with America, UK, Germany, Austria, Hungary, Dubai, Kenya, Ethiopia, China, South Korea, New Zealand — and most cities and towns across Australia crossed off his broadcast bucket list.

Never one to say no, Tim has skydived, bungee jumped, abseiled off some of the world's most thrilling and death-defying attractions, gone swimming with sharks and crocodiles, raced performance vehicles, performed acrobatics all live on air – and continues to look for his next challenge.

In 2024, Tim is proud to mark 10 years with Nine.
